

Quality Solution For All Growers

A35 Seed Air Matic Vermiculite Dispenser Combo

From ***K W Automation***

- ▶ **A Superb** economic seeding system for the small, medium or larger grower.
- ▶ **Durable** all aluminium base and legs.
- ▶ **Single** water bar with water tray.
- ▶ **Fully** integratable.
- ▶ **Optional** compressor to operate machine.

KW Automation's popular A35 seeder can now be ordered fully integrated with the new Econo Vermiculite Dispenser and watering system.

The A35 Combo has a single water bar to water in the trays after being covered with vermiculite. This gives the grower a fully optioned seeder including dibbler, seeding head, vermiculite dispenser and watering bar.

This system can be fully attached to a trayfiller to complete a fully automatic seeding line.
